Perry, Georgia Highlights

Nestled in the heart of Georgia lies the quaint but thriving city of Perry. Perry has been able to capitalize on proximity to Robins Air Force Base, excellent schools, unique downtown, and location in transforming from a small town to a vibrant and growing community. Perry is home of the Georgia National Fair and holds events like the Perry Music Festival, Food Truck Fridays, and the annual Perry Buzzard Drop. Perry is truly where Georgia comes together.

Our PROCESS

1

Meeting Our Clients

After making the decision to build a new home with WCH, you will speak to one of our representatives who will help you decide what your budget is and where exactly you want to build. We have six realtors ready to help you through this process. Our realtor team is eager to answer any questions and concerns you have about building your new home. Quality service is a top priority.

2

Selecting a Lot & Creating Your Dream Home

After selecting a lot, you will choose from a selection of floor plans for your home. You will then work with our designers to design your custom home. From the exterior to the interior, you are part of the process of creating your dream home. After you have made your selections, you can relax while we build your home. Your realtor will continue to communicate with you to answer any questions and keep you updated on the progress.

3

Closing on Your New Home

Your dream home is ready! Now all that is left to do is close on your house and get your keys. You will be provided with a closing folder filled with information about your new home. This is a great homeowner resource; keep this folder to refer back to as needed. All contact information will be provided in the folder for any future need.

Finally, you can turn the keys and enjoy making your new house your very own home sweet home!
